Please label all boxes and containers of food donations with your Donor Code. This is crucial to Foodlink's inventory, processing and donation tracking.

As a general rule, events hosted on behalf of Foodlink should:

- Adhere to Foodlink branding identity and standards.
- Have a positive impact on Foodlink's reputation.
- Generate sufficient revenue to justify the commitment of requested Foodlink resources.

Both parties agree to represent the other party in a respectful and responsible manner and present marketing and advertising to the other party for review prior to printing and distribution.

Both parties understand the proportion of revenue benefitting Foodlink and agree to disclose this amount publicly in an accurate manner as agreed upon by each party.

Thank you again for joining the fight against hunger!
