Forks & Skis event less than a month away!

Tickets on sale now for charity ski event to benefit Foodlink

ROCHESTER – Forks & Skis, a charity ski event presented by Delta Air Lines, returns to Hunt Hollow Ski Club on March 6 to benefit Foodlink.

Skiers can enjoy a fun day on the slopes – all while supporting Foodlink’s mission to end hunger and build healthier communities. Within Foodlink’s 10-county service area, more than 145,000 people are considered food insecure, which means they live in a household that lacks reliable access to nutritious food.

The event includes lunch inside the Hunt Hollow lodge, a ski pass, entry in a timed race, and free drinks at a happy hour with live entertainment.

About Foodlink

For more than 40 years, Foodlink has leveraged the power of food to end hunger and build healthier communities in Allegany, Genesee, Livingston, Monroe, Ontario, Orleans, Seneca, Wayne, Wyoming, and Yates counties. Through good stewardship, innovation and collaboration, Foodlink mobilizes a diverse network of community partners to address both the symptoms and root causes of food insecurity.

Foodlink's community health programs provide new access points to nutritious and affordable food in underserved communities. We empower individuals and families to make healthy choices through nutrition and culinary education initiatives. Through our food bank, we distribute nearly 20 million pounds of food annually to a network of nonprofit partners. The Foodlink Community Kitchen nourishes thousands of children daily with healthy meals, slices locally grown apples that are distributed throughout New York, and prepares people for careers in the regional food industry through a one-of-a-kind career empowerment program.
