HELP KIDS EAT HEALTHY THIS SUMMER

Sign up for the Summer Food Service Program!

If you offer programming or a safe space for children 18 years and under, Foodlink can provide free meals. We will deliver healthy meals to your location, so you can focus on running effective programs!

How you can become a site

1. Program must be located in a low-income area or serve children eligible for Summer Meals
2. Complete a summer meals application
3. Attend a mandatory training session

To find out more contact Claire Savini, Child Nutrition Programs Manager at 585.413.5063 or by email, csavini@foodlinkny.org
