    - If your organization anticipates collecting a significant amount of donations, please reach out to donations@foodlinkny.org or call 585-413-5078 prior to the start of your drive. We may be able to deliver empty boxes, bins, and pallets to your location.
    - If you have collected at least twenty (20) medium sized moving boxes (approximately 18”x 16” x 18”) of donated products, Foodlink may be able to pick up your donations. Please reach out to schedule a pickup.

    - Donations less than 20 boxes must be dropped off at Foodlink with an appointment.
    - Alternatively, you may drop off donations to your local Foodlink Member food pantry.
